

Name your engraved tile now!

The next segment of our fundraising efforts for the Msgr. Walsh Hall renovations is to introduce our **Engraved Tiles**.

These custom engraved tiles will be prominently installed just outside the new west entrance to the renovated hall.....see the architects drawings to see where the tiles will be installed.

These commemorative tiles are a great way to include your name, or to honor or remember an important person, event, family, accomplishment, etc. The possibilities are endless.

There is a limited number of tiles so the orders are taken on a strict first come, first served basis. When 500 tiles are sold no more tiles will be available.

Each tile is just \$250 including engraving and installation. To order your engraved tiles, complete one of these forms for each tile, using the format below. Each letter, character or space requires one square; use one, two, or three lines, your text will be centered unless otherwise noted. Use any character found on a standard computer keyboard.

You may also visit our website at www.holyangelsarcadia.org to learn more or to place your order.
