

My Dear Friends,

It is with heartfelt gratitude that I thank you for your support of Holy Angels.

You, and the generations that come after you, are the ones that fill the pews, sing the hymns, hear the words of guidance and hope, and praise the Lord. It is people such as you who built the great parishes of the past, and it is people such as you who will ensure that this community of the faithful will continue for centuries to come.

As you discern your role in the life of the parish both now and after you have returned home to the Lord, please be assured of my continuing prayers that God's blessings will be abundant in your life.

Planned Giving

Planned Giving is a term that for many of us, is quite imposing and not clear as to its meaning. In plain terms, Planned Giving is charitable giving that is part of an individual's or a family's financial and estate planning. For people of faith, financial and estate planning is a strategic component of stewardship. Stewardship of treasure involves not only sharing a portion of our income (Sacrificial Giving) but also involves the sharing of our assets as well - planning our giving. Planned gifts can benefit Holy Angels while helping you to save taxes, increase your income and pass more on to your heirs.

Planned Giving can include...

- **Bequests:** Name Holy Angels in your will or trust.
- **Gifts of Stocks and Securities:** Give gifts now or as part of your will or trust.
- **Gifts of real estate:** Give a gift or real estate now, in your will or trust, or as a remainder interest in your home.
- **Insurance policies:** Name Holy Angels to receive all or part of the proceeds from your life insurance.
- **Retirement plans:** Designate Holy Angels as a beneficiary for all or part of your retirement plan.
- **Gift Annuities:** By making a donation now, you may receive a fixed annuity payment each year for life.

Did you know that...

- You can receive income for life in exchange for a gift?
- Giving appreciated property, like stocks or real estate, costs less than giving the equivalent amount in cash?
- Some assets can benefit you more if you give them away?
- Some gifts cost nothing now, but leave a legacy later?
- Some gifts allow you to pass more on to your heirs and save taxes

*The correct designation for gifts by will or trust is:
The Roman Catholic Archbishop of Los Angeles
A Corporation for the Sole Benefit of
Holy Angels Parish (or School)*
